

Avoiding Inadvertent and Unintentional flight in/into Instrument Meteorological Conditions (IMC)

The gathering will focus on how to avoid becoming a sad statistic: an emphasis will be placed on using advanced pre-flight assessment and in-flight Aeronautical Decision-Making (ADM).

Directions: We are conveniently located inside the main Lumanair FBO at the Aurora Municipal Airport in Sugar Grove, Illinois. Just drop by Suite 1A.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
